January 6th, 2023

Certificate of Compliance

Attn: Seafood Suppliers, Exporters, Importers, Brokers, and U.S. Agents

This document certifies that E. Frank Hopkins Co., Inc. has been operating under the FDA's HACCP guidelines since federally mandated on December 18, 1997.

In addition, as of November 17, 2003, E. Frank Hopkins Company, Inc. has registered with the FDA as mandated by the "Bioterrorism Act 2002." E. Frank Hopkins Co., Inc. will furnish our registration number to Importers, Brokers and U.S. Agent as needed. We will not furnish our Registration number to Domestic Suppliers. All other information will be supplied as needed under the Bioterrorism Act 2002.

E. Frank Hopkins Company, Inc. has conducted a hazard analysis for all items and developed a HACCP plan where applicable. Hopkins has written and implemented standard sanitation procedures and follow good manufacturing practices as outlined by the US Food and Drug Administration.

In addition, E. Frank Hopkins Co. Inc. is in compliance with all COOL procedures where required by law. Hopkins fully complies with the FDA Food Code for Parasitic Destruction.

Please include this document in your HACCP file.

For further questions or comments please contact Mr. Tim Sloan, HACCP coordinator.

Sincerely,

A handwritten signature in blue ink that reads 'Andrew J. Siegel'.

Andrew J. Siegel
President
